Originally one of Chicago's most luxurious 1920's apartment hotels, Windermere House was designed to be the most sophisticated and elegant residence of its day. Today, it remains a testament to that vision. Carefully preserved and restored original plaster, wood, terrazzo, terra cotta, brass, copper and bronze details of French and Italian Renaissance styles combine with a myriad of modern amenities to create a remarkable coalescence of contemporary living in a timelessly refined atmosphere. Overlooking Jackson Park, it's ideally located for easy access and within walking distance from the University of Chicago, restaurants and shopping.
