A family member received this dog as a companion animal, and isn't able to handle his high-energy. (We're estimating his age at about 2 years.) He hasn't been vetted since she's had him (about two weeks ago.) We know very little about his history, but he's been VERY sweet. His name is Ozzie. He's not neutered, he's paper trained, and he'll go outside as long as it's available.

Because we know he's a lovely dog, we're planning on having these questions asked before we place him. Please send me your personal answers, and we'll contact any and all good options. :)

1. Why are you interested in this dog? What specifically attracts you to the breed?
2. Where will she live during the day?
3. Where will she sleep at night?
4. Do you have a preferred veterinarian?
5. Do you have any other pets, family, or roommates in the house?
6. Have you ever had a dog before? If so, what happened to him/her?
7. If something were to happen, and you were forced to give up the puppy, how would you handle?
