New Band just starting up. We have a drummer, and 2 guitar players. We have only been playing with each other for maybe 3 months. There is plenty of talent, and a LOT of potential here. We get cleaner and tighter every week. So far we have been playing on Tuesday evenings at the Music Garage (6:30-10:30). We definitely need a bass player. All are welcome though! We would love to have Harmonica, saxophone, vocalists, etc.... Can't wait to see what this will turn into. Call/Text/Email!!!!!!
