Frequently Asked Questions Answered:

Hi, Looking for childcare but not sure if we are close by? I have had many people call and ask where I am located. I dont see many people posting for my area, so give me a call and we can map out the directions for you, and see if I am accessable. Some of the major streets around me are: Raymond, Shelby, Prospect, Keystone, Meridian, Pleasant Run Pkwy. I am 5 min from downtown. I am 5 min from Garfield Park. So I hope this helps!

Do you make the child take a nap?

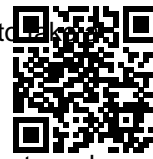

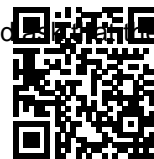

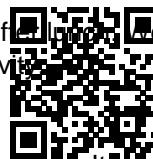

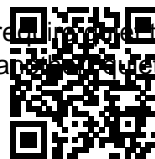

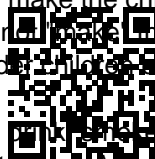

We do not make the child take a nap. We will rest for a time after lunch, but we will not force a nap or put them in a crib. We will try to get them to sleep. Older children can read books and enjoy a "quiet" activity.

Do you drink or do drugs?

Absolutely not. My partner and I drink socially on a very rare occasion. It would NEVER be around your child or at anytime while they are in my care. We do not smoke, or allow smoking in our home, and drugs are out of the question. We would be happy to provide you with a drug screen or a background check you are willing to pay for it.

Will you leave the home with my child?

On occasion, if we can manage the transportation, and we have both adults available, we might go for a walk, play outside, go to the park, or join a festival near by, but only after you are comfortable with me as your sitter, and I will provide proof of liscence and things to put your mind at ease.

Will you leave my child with anyone else?

I live here with my older sister and her partner. They love this just as much as me. The children get to know them, and they do help out with meals, changing, learning and play time. After you get to know us, and an emergency or something comes up, I may have to ask if it is ok if they take over for me on that day. This might sound scary, but once you get to know us, you will see what I mean and it will not seem so scary. I have had some of the same kids for 2 years or more, and all the kids love all of us! I have never had a problem with this :) We are cool people :)

What hours are you available? Do you do nights, weekends, and overnights.

I am available when you need me. However I prefer Sundays off. Child care is what I do, so I have no set hours. I will need to know your schedule in advance because I run my life around your schedule. Over night charge is a flat rate of \$35, you will have till noon the next day to pick up your child. I will then provide breakfast and a healthy snack the next day!

What are your rates?

My Rates are as follows: \$25 a day, 8 hrs I am paid upfront, no later than the day of service. If you do not bring your child, I still get paid for that day, as I showed up for my job...

Are you licensed?

No. I am just an old fashioned babysitter that has been doing this for about 15 years. I have watched children with CP, autism, Seizure disorders and more. I am CPR and First Aid Trained. I have an Associates Degree in Medical Assisting and have taken classes in Infant Choking.

Anything you feel needs to be said upfront about you or your childcare?

Yes, I live with my life partner. She is 34, and has a son of her own. We have been together for 5 years now. I like to be upfront about this, so there are no questions later. She works on and off during the day, and will help here from time to time.

On an average, how many kids will you watch? Do you have any kids of your own?

I do have children of my own. I have two, and my partner has 1. They are 11, 13, and 16. They attend charter schools and make very good grades. Typically I will take on 2 full time families, and 1 part time family, and the hours will vary. The amount of kids vary depending on size of family.

Do you have room to play?

This is a 4 bedroom house. I have a very large entry room and front room. Large front yard and back yard, both fenced in. Tv time is done in the front room, Eating is done in the kitchen, or with a tv tray in front room floor.

Please if you have anymore questions you would like answered, or feel there is something I should add, just let me know.
