John Wayne Haddix's Cowboy Mansion with 38 rooms close to the Nebraska's Calamus Reservior.

\$99,500.00 for a 38 Room Home - Renovation Fun !

10,000 sq ft

2500 sq ft on each level

First Floor is a daylight basement with workshop/packing area. Custom built eBay office with tons shelf space for listing items online. Our business grew to 6 figures out of this location. Work out of the basement & live upstairs.

Second and Third Floors feature a hallway over 50 feet long with 4 rooms off each side for a total of 8 rooms and one bathroom on each the second and third levels.. The front two rooms on each floor each have pocket doors. Many rooms have a 4 by 6 closet. One closet was a prayer sanctuary. The Second and Third Floors have an additional large closet for cleaning supplies located in the middle of the hallway. There is hideaway gun storage or Panic Room that could hold 4 also hidden within the 10,000 sq ft.

Total number of Rooms is 38.

Both the Second and Third Floors have a large central closet in the Hallway.

Both center hallways have had all of the icky glued down linoleum removed and are back down to the original wood.

The Second and Third Floors have Electric and Gas Stoves.

Many of the rooms on the Second Floor have been renovated with Waterhose Wall Coverings.

Many rooms have a fireplace on per room.

The Fourth floor has 4 living areas each with a kitchen alcove, a living area and closet.

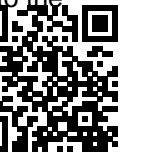

All Steam registers have been removed & the original furnace does not work.

We heat with a combination of gas & electric.

We have replaced the roof - 30,000.00 value

This house is our private home.

It is so large that you can easily live in it & renovate at the same time.
