

Expert Virus Removal, Computer, Phone, Tablet, Sales and Repair (SeabrookMANH C

New Hampshire Location https://www.genclassifieds.com/x-509962-z

Boston Data Systems in Seabrook, at Appliance Warehouse Building

We do Virus removal the right way, along with Malware and Spyware removal, and other bad files that infiltrate your system like beaconware, PUPS and others. We can't give same day promises, sometimes it can take till the next day to run the deep scans and do the job correctly. We also install free software to help prevent reinfection.

Sales and repairs of all brands of computers, tablets and phones.

New and used tower and laptop computers at great prices.

Tablets, starting at \$59

A/C power jack connector, broken and cracked screen repairs

New and Used switches and routers.

Lots of older hard to find parts in inventory.

Located in the Appliance Warehouse Building, on the Rte 1 traffic circle, on the south side of rotary, near town hall.
