

Sweet baby female Colombian boa constrictor (Nampa)

Location **Idaho**
<https://www.genclassifieds.com/x-510093-z>

I have to rehome my baby boa, her name is Fox.
 She's very sweet, and is a wonderful pet, would also make a great breeder when she's bigger.
 Eating 2 thawed hopper mice every week. She is a Hypomelanistic Motley, which is a 2 gene color mutation.

\$125 rehoming fee, comes with enclosure.

Serious inquiries only.
 No.
