Location **Maine**

With my schedule these days, I have limited time to enjoy the lake and could use the money so I am looking to sell my 2011 Four Winns H 190 boat. The boat/trailer are in great condition and need absolutely nothing. The boat has only been used on Lake Winnepesaukee. The boat has been winterized at the dealer and I would always remove/charge the battery in the house for the winter. I also built a shelter for it so no snow has ever accumulated on it. For a comparison as to how much use this boat has had, I have only used about 5 tanks of gas since I bought the boat new. The MSRP on this boat when I bought it new was a little over \$35,000. I am not looking for any trades and will entertain all reasonable offers. If you have any questions as well, please do not hesitate to shoot me an email.

The following will be included in the sale:

- Boat
- Trailer
- 6 life jackets
- A throw cushion
- Paddle
- Fire Extinguisher
- Anchor with 100' of line
- Full tank of fuel
- Two tie up lines
- Two sets of keys

Owner's manuals & other paperwork I received when I bought the boat
