

98 Pontiac Firebird 1 Woman Owner (5995 USD)

Location **Maine**
<https://www.genclassifieds.com/x-510192-z>

I hate to part with & have been the sole owner of this most sexy of the Firebirds ever built IMO. It is a 3.8 Liter SFI V6 auto 4 speed tranny with traction control system. It's has "Dark Pewter" leather interior that is almost like new. This car is entirely original paint. Only 67900 highly maintained miles. I have the service records. It's never been beat on but only loved. Always Garaged except last winter is was parked & covered. It has options KBB doesn't list like a "Sport Appearance Package" which includes a body kit "Specific Aero Appearance" which cost \$990. I have the original window sticker that lists this & all it's options. I also have a "LookupVIN" report (like a CarFax) which shows it's immaculate records.

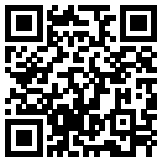

As is seen by my photos it was used for business. This vinyl can easily be removed.

This car is a rare find & only serious inquires need contact.
