So Spring is here, and the summer is close. The weather is awesome and I'll be visiting New Orleans this Friday, Saturday, Sunday and Monday.

I'm trying to stay as relaxed and motivated as possible.

If you're a nice girl with a good personality and easy on the eyes, this may be a nice situation for both of us.

I'm nice guy, easy to talk with, looking for a sensual massage. Very good pay!

If you're interested, reply with your name & number. Thanks,
