Please give me your full name, how many years experience you have. And how old you are. What company you have worked for in the past Must have own tools and transportation. Preferably a non smoker. I have business with mostly repaint and most customers don't like the smell. If you do smoke it would be minimal in working hours. Pay is with the experience you have. I'll give you a week of work and let you know what I think you will be at hourly. And of course with time there is pay increase. Please have great work ethic if your going to respond. Thank you for
