Lets try this again. I have five black and white kittens that are ready to go. Firm rehoming fee of \$45 per kitten or two for \$80. Located in Charlestown,NH, on the southwestern side of NH, right off of exit 7 off of 91. I cannot travel, so I cannot come and meet you in another town. Need them gone by Saturday night.

My apologies to anyone that may have responded to my ad last weekend. My family had to go out of town to deal with an emergency, and there were just to many inquiries for me to respond to them all.
