Texts or emails only please! We are taking our time in picking a new home and will be very choose-y! We have two young female chinchillas we need to rehome. One of them we have had since she was 5 weeks old and she has paperwork verifying her birthday and parents. The other is probably about a year and a half old and has a very mellow, playful personality. Sophie is a standard Gray chinchilla and Elsa is a white chinchilla with more silvery color than white. They have a huge ferret nation cage that we bought brand new just a few months ago, a play pen and everything you could possibly need for them. They used to come out and play all the time, but with our schedule change they don't get nearly as much play time anymore and it's not fair to them. Their adoption fee is \$400 firm. Please send a text or email letting us know your experience with chinchillas and your lifestyle. Thank you!

Adoption includes: new ferret nation double story cage, metal wheel, custom pine wood ledges, fleece pan covers, all toys and accessories in their cage, play pen, play tunnel, hiding houses, dust bath, all treats, hay, food and dust that's.
