LitterMaid Automatic Self-Cleaning Litter Box \$65

No more scooping! No more odors! Your cat will never have to step foot through soiled cat litter again. This revolutionary appliance makes cat litter box clean-up fast and easy. The LitterMaid Automatic Multi-Cat Self-Cleaning litter box rakes away waste and leaves your cat's litter box clean after each use. Once your cat leaves the LitterMaid Automatic Litter box, sensors are triggered. After 10 minutes, the cleaning cycle starts and the rake clears your cat's clumps-- depositing them in the waste receptacle where waste and odors are sealed away. The LitterMaid Self-Cleaning Litter box is safe to use and operates on a low-voltage AC adapter or 8 AA batteries (not included). This veterinarian recommended box includes 6 catch-all receptacles, and AC Adapter.

E-mail or call I would prefer a phone call so I know you are real...If you email me, Please include your phone number. I only use craigslist email so don't waste your time fishing for my personal email address You are not going to get it.
