

Rhode Island Red Rooster (South county)

Location **Missouri**
<https://www.genclassifieds.com/x-510414-z>

I have a young rhode island red rooster. He is about 12 weeks old and has not started crowing yet. He is very friendly and needs to go to a good home. I'm in the county so I can't keep a rooster. You can reach me by text, calling, or email, if interested.
