Nice 19 acre parcel for sale in southern VT. Engineered septic installed, well drilled, power to the property, driveway in, and a nice spot to build, all ready to go. Was going to build my own home here but have decided to move out west. Quiet, peaceful town. 20 miles west of Brattleboro, 2 hours to NYC. \$68k or best offer, email me with an offer or idea, you never know. Need to sell asap. Thanks for.
