Two graduate students are looking for a 3rd roommate in a spacious 3 bed 2 bath apartment (1500 sq. ft) in Trinity Commons at Colonial Grand. Rent would be \$350 plus utilities. There will be one cat who is very fun and well behaved.

We are looking for a third roommate who is a graduate student and who is neat, laid back, respectful, fun, and will be nice to my cat! No smokers.

The roommate who is posting this spends a lot of time at school/work and likes to hike, bike, workout, watch netflix, and read in her spare time.

The other roommate is a serious student who loves to run, workout, watch sports, cook, craft, and read in her spare time.

Please respond to this ad if you think you might be a good fit. Move-in date is July 7th, but later dates are okay also.

No pictures of the actual apartment because we have not yet moved in. We have both seen an apartment at the complex with this floor.
