This 1986 Pontiac 2+2 Aerocoupe is an all original, unmolested survivor. There was a production run of about 1,100 so that Richard Petty could race this model in NASCAR. I have owned it for over 26 years. It has 49K original miles and has been garage kept without seeing an Ohio winter. It came equipped only one way. All 1,100 of these cars were silver with matching grey fabric interiors. They were fully equipped with a 305 V8 auto, air, PS,PB, PW,PL,Posi-traction, Eagle GT tires, and 2+2 Graphics. Everything works and it is truly a very comfortable car to drive. \$12,500. Jim
