Ethel is a 9 month old toy poodle/Chihuahua black and chocolate I am rehoming. She is fully house trained, goes outside. Good with children and other dogs, shy but very sweet. She is extremely smart, will let you know when she needs to go outside or when hungry by tapping on you with her paw. She is also very playful and full of energy but it's just as happy in your lap. She is more poodle than chi has very long hair (not fur) that has been trimmed short. We have two dogs and unfortunately can only keep one where we are moving to. She is not fixed but has shots and microchip. Looking for rehoming fee of \$250 OBO to insure good home..
