I'm looking to babysit 1-2 kids full or part time to play with my 2 year old daughter. I would prefer part time but would be open to full time if it was needed. I am available during the week at the latest until 4. The only days I could babysit later would be on Monday into the evening and Tuesday I could babysit until 5:30. I am not available weekends. I do live in an apartment, but I do a lot of activities with my daughter, like painting and crafts and we do puzzles and flashcards and also have reward charts. I will be moving to a house in the fall. There is a large grassy area outside my apartment where we can go outside and play. I would prefer to watch a child around my daughter's age so she has a friend to play with. I also have a 3 month old son. I will provide meals and snacks. Part time I would charge 50 dollars a week and full time would be 85 a week and that would be over 25 hours. I would also be open to doing daily rates. My home is smoke free and pet free.

Please let me know if it is something that sounds like it would work for you and we can set up a time to meet.
