

Child Care Asst. Teacher (West Fargo)

Location **North Dakota**
<https://www.genclassifieds.com/x-510900-z>

We expanded from a family in home to a dual license family group and licensed preschool (15max) so we are looking to add a couple new care providers. We are willing to pay according to the degree and or experience you have to offer our program and families. If you want a flexible schedule and have time to walk thru and check out our program let us know a time and day we'd love to meet you.

We do new things everyday and switch areas frequently. We all work with infants, toddlers and preschoolers. We have morning shifts/ afternoon shifts or split shifts. We prefer a CDA or at least a 2 year early elementary degree. We look forward to meeting you.

Email for address and let me know a good time that works for you to stop by.
 THANKS!
