

Female Japanese Chin

Location **North Dakota**
<https://www.genclassifieds.com/x-510901-z>

Red and white 5 year old chin up for adoption. UTD on shots and worming. She needs a loving home without small children. She doesn't bite, loves to snuggle, go for walks and car rides. She will sleep with you if you let her. She is kennel trained and housebroke. She comes with her collar, leash, walking harness, sweater, and the rest of her food. She is up to date on shots, but is not spayed. You can have her spayed for \$115.00 at Minnkota Paws. Please respond with your name & number. I will text you any further info you require. If the ad is up, she is still available. I remove ads when they are completed. I am moving to Senior housing and can't take her with. Rehoming fee is \$100.
