I'm desperate yo find a someplace safe and sane for one middle aged woman and get elderly cat - Petunia is litter box trained and can stay in my area with me and doesn't have to roam. She occasionally gets disoriented and cries so you you'd have to be accepting of that -I tend to her as quickly as possible though. I'm scared she pass while we ate separated which is unbearable for me to think of but is a reality. I love her more than anything else in this world and wous give anything to be reunited with her. I don't have guests. I'm a respectful outside smoker. I don't drink and socialize away from home. If you have housework , yardwork, errands, need a pet sizer ot baby sitter and would be willing to accommodate us in lieu of rent/ utilities -we'd be forever in your.
