Hi 32/m medium sized mixed dog looks like a Minnie female black lab 2 years old (fixed, has all shots and is chipped.)Would be awesome to find a place with a fenced in yard she could be left in during the day would like to allow her inside but she could do alright outdoors as well would also be awesome if she had a fellow four legged companion has never chased cats has gotten along with every other dog she has been around. Liking for month to month or short 3 monthlease to start in July. I have income rent will not be an issue currently a attending school for next 3 months. 420 friendly but do not do it myself. LGBT friendly male/female does not matter to me. I'm open minded and respectful of your beliefs and views.

I'm an omnivore.

Be going to school 6am (wake up 4:30ish - probably getting home around 7PM Monday-Thursday 10 hour s then the gym after. On weekends(Fri-Sun)I may be working, exploring the area, hanging out at home watching movies studying watching YouTube going for a bike ride, or hike looking to move in around July 1-3. Thank you for.
