Hello. I am 29 and a mother of 3. I am emt, cna, cpr, first aid certified. I was a medic in the army and a corpsman in the navy. I can get on post as well to watch kids in your home on post if need be.

I prefer to watch in my home due to the cost of gas, but will come to your home if absolutely necessary and paid appropriately and so long as you're ok with my kiddos coming with (will bring their food as they have food allergies). My prices are stated below. They are firm, as I have bills to pay as well and believe you get what you pay for.

Hourly:

1 child- \$10 an hour
 2 children- \$15
 3 children - \$20

Weekly: @ my home (food included)

1 Child: \$100
 2 Children: \$160
 3 Children: \$ 220

Weekly @ your home: \$20 increase is due to gas.
