Paying Cash for unwanted Gifts Items (RI)

I'm paying cash for items you may have gotten from the Holidays that you don't want. It can be anything. Might as well get some CA\$H for some things you don't want or need right? Why get store credit when you can get CA\$H. Send me an email with what you have, maybe a pic too and the price you want to sell it for and I'll reply back. The worst thing that can happen is that we don't come to an agreement and there's no deal. . . No biggie, life goes on. . . It can be clothes, jewelry, toys, games, gift cards, store credits, sports stuff, electronics, almost anything...(new stuff please, don't waste your time with used stuff that I won't buy lol)
