Have a brand new 3 bedroom 2.5 bath town home in Pottstown and I'm looking to rent out the finished basement to a non smoking individual. We would share the open concept living area with living room, dining room and kitchen. I'm asking for \$600 a month including utilities. Laundry privileges are included. I'd prefer no parties or sleepovers but having guests over isn't out of the question. Home is located in a nice quiet cull de sac. Parking on street for roommate. I'm a responsible professional, easy going, quiet and am looking for similar qualities for a roommate. Female is preferred since I'm female and will be in master bedroom. No pets please. Background check will be done. Please text or email to.
