

## 22 chrome rims with tires 265 (35 USD)

These wheels were on my suv when I brought it. I'm not into aftermarket chrome rims. The rims are 6lugs with a very deep lip. All tires are in great condition, the rims are not bent.

The price is firm. I'm selling because they just sitting and I really don't want the tires to dry root.

Tires size 265-35-22 vehicle that I took these off is a 1999 Infiniti Qx4 with a lug pattern 6x139

Have all center caps

Christopher
