We are offering Kangal/ Boz shepherd crosses to loving, educated homes. Father is from 3 generations of UKC working Kangals and mother is boz/ kangal cross from imported working lines in Turkey and Syria. Both parents have phenomenal characters, come from good hip lines, great with kids, and proven guardians. Both have coyote kills are excellent guardians against predators. Puppies are currently being raised around stock and handled regularly for socialization. This litter is 5 weeks old currently--2 males and 8 females available. Puppies will be ready to go around the middle of July beginning of August. Will have had their shots and de-worming. If interested, please do some research on these breeds before inquiring to ensure they are the right fit for you. Rehoming fee.
