Do you like easy work for easy pay? Can you follow simple instructions? Are you an honest person, who finds satisfaction in finishing projects?

I am in need of someone to hang fliers in places where they will elicit a response: coffee shops, laundromats, or wherever people are likely to answer the flier.

I have 20 fliers. You will be paid 70 dollars to distribute all of them. You will need to record on a piece of paper where you place the ads, plus take a picture with your phone of the posted flier in order for me to pay you.

I will hire anyone who likes to work for money, has a smart phone, and can set up a PayPal account. No other requirements are necessary. The first one who responds to this ad will likely be the one I pick.

I will pay you via PayPal, so you will need to setup a PayPal account to get paid. If interested, hit reply with your name, Email, type of Smartphone, PayPal account email, and which City and State you live in.

Thank!
