Will pay 1st months rent if you sign lease before July 1. It's a 3 bedroom, with 2 other roommates who are very clean, especially with their dishes. It's \$649/month & comes fully furnished + your own private bathroom/shower. AGAIN, if you contact me & sign the lease before July 1, I will pay for your first month's rent, thereby allowing you not to have to pay until August.

Google Garnett river walk and check out the 3 BR layout + amenities for more info. I would also be glad to show you the apartment before making your final decision. Trying to move to new job location & I do not want to be stuck paying 2 rents (lease ends January 2016)
