Hello. I have a female tan colored guinea pig, she's sweet, loving and loves attention. The only reason I'm selling her is because I don't have enough time to spend with her anymore. She would need to go to a good, loving home, to somebody who would take care of her and spend lots of time with her, she squeaks and makes noises when you talk to her, she's the cutest! She comes with bedding, food, and her cage. I'm asking \$110, obo. Just shoot me a call or text and maybe we can talk & work something out. Text me for pictures as well. Thank you for your time!  
:)
