

Seeking ride from Portland to SF next Monday night or Tuesday

Location **Washington**
<https://www.genclassifieds.com/x-511481-z>

If someone is heading down to San Francisco I would love it if you could make a pitstop in Portland for a friendly clean guy in his mid 20s with 3 bags of luggage. Happy to both cover my fair share of gas and do and/all the driving (CA license with clean record!).
