Adorable Dutchess has more than earned her refined name, this darling girl really is puppy royalty! Still just a baby but ever so gentle, intelligent and affectionate. She lived with 7 years old girl and adores her. Dutchess has an exceptionally loyal personality and her owner wish is her command and she's happy to show off all her best tricks - sitting on command, shaking a paw and even giving hugs and kisses on demand. A polite girl who walks calmly on leash, Dutchess greets other dogs with a happy tail. She's thrilled to play with a tennis ball but never keeps it for long and bring back with no guarding issues at all. Dutchess is simply a beautiful, playful, wonderful little doll who needs a loving home with a lot of exercise. Dutchess is about 1 & a half year old, only 50 lbs, spayed, microchipped and up to date on shots.
