ALL ORIGINAL MEDIUM TO HARD ROCK BAND is looking for a LEAD SINGER AND BASSIST to play shows, record songs and make a full time career out of music. We are both 21 a guitarist and drummer, have lots of songs already and ready to play with some lyrics, need a singer that can write and a bassist to do the same. Check our facebook.com/51stories out it has a short clip. We don't play any heavier than the short clip but our originals are mostly medium to fast pace. We have an original sound of rock, classic somewhat sound with modern mixed in and slight soft rock. Anyways call or text anytime you wont be disappointed, join with us and we will go places. Lets bring awesome rock to the people !

when you text me go ahead and tell me: your equipment, and your age and location also send me a clip of yourself and example lyrics or something I can decide on. I will send you another clip or two of our songs once we talk but I don't have them all.
