

Nice bird cage for small medium bird, parrot, cockatoo (Irmo)

Location **South Carolina** https://www.genclassifieds.com/x-511556-z

Sadly, I just lost my bird, so I no longer need my bird cage. Very good condition. Comes with 4 bowls for food/water and the perches you see listed. I'll also throw in the unused bird food I had left over which is the Zuprene brand. If this posting is up, it's still available. Last person backed out, so please only serious inquiries. \$140.
