This beautiful home is a large 4200 square feet in the heart of Franklin. It is arguably the most beautiful neighborhood anywhere. There are 5 bedrooms, PLUS an office, PLUS a very large bonus room, PLUS a large formal dining room, along with the large kitchen, dining room and living room. There is also unfinished storage, as well as finished, vented/carpeted storage that is not added to the square footage of the house, which is above the master bedroom/bath and office. This house is huge. 4 out of 5 of the bedrooms have an attached full bathroom (including a Jack and Jill). Three bedrooms upstairs look out into beautiful green tree tops, the front upstairs bedroom looks out upon the beautiful houses and hills. The master bedroom is massive, with his and hers separate walk-in closets.

Inside:

Wood cabinets in kitchen
 Double oven
 Ceiling fans in bedrooms and bonus room
 Real wood blinds throughout
 Wood molding on ceilings, floors, doorways
 Custom carved wood on archways, columns in formal dining room
