Good day!

Treat yourself with a professional Relaxing Swedish massage. My special massage is a whole body massage that allows the body to absorb more oxygen, thereby rejuvenating the body, relaxing the muscles and the mind, removing toxins and tension. I can also incorporate ASMR work into massage session if desired (soft, relaxing conversation) for a better emotional and physical healing.

For your session I will bring everything needed for a massage, including a natural high quality non-allergic fragrance free oil, relaxing music and aroma therapy if you like. I bring the massage table. I am always on time.

Session Times: 1 Hour session outcall- 89 \$, 90 mins outcall- 129 \$.

Out call only at this time. Ask about the discount on weekends! Cash or Checks accepted.

Hours: 7:45 a.m. to 7:45 p.m. Please schedule in advance to secure a time that works best for you. Thank you.

As well I am a certified Health & Lifestyle Coach (Certified by Institute for Integrative Nutrition). When was the last time you talked with someone about your health and received the personal attention you deserve? Many people don't realize that the road to wellness can be easily obtained with the right health
