Nessie is the best most cuddling fun loving dog around. She is a 3 year old mix and loves to go on walks, go to the dog park, fetch after a tennis ball and cuddle. She thinks she is a lap dog despite her size. We are looking for an awesome home for her that has a big yard she can play, and has time to exercise her the amount she needs. Please let us know if you are interested. We have had her since she she was 4 months old and want to make sure she goes to a great home!

Small rehoming fee.
