

# Looking for a small snake (Laramie or Cheyenne)

Location **Wyoming**  
<https://www.genclassifieds.com/x-511781-z>

Hello! I have always wanted a pet snake but was forced to hold off until my life was a little more stable and I was sure I could be there for the animal. I believe I have finally reached such a point and am now looking for a small snake, like a corn, milk, or king.

I would prefer to adopt a snake rather than buy one from a pet store. So if you are looking to re-home your snake, contact!
