I CAN HELP! I can typically handle a first offense O.W.I/D.U.I for \$2,500. Easily the best \$2,500 you'll ever spend. I am an attorney with over 25 years of experience and can tell you the overall cost of a Drunk Driving ticket can easily run 5 to 15 times that much. A main portion of my practice consists of representing criminal defendants. I am very familiar with the Milwaukee, Waukesha and Ozaukee County Court Systems (as well as other counties). As you can imagine, being in court almost daily for over 20 years, you get to know the district attorneys, judges, court clerks and other individuals involved in the system. It is helpful to have worked on numerous matters with district attorneys because they come to learn your track record and they know if you are or are not a good litigator, which can make a huge difference in your case.

I have hundreds of jury trials under my belt with a very high acquittal rate. I am also excellent at negotiation because I thoroughly investigate criminal matters and I am well prepared to present discrepancies to district attorneys and the like.

Please feel free to contact me for a free confidential consultation at or email me. If I am not in the office, my assistant can reach me and generally I am able to return calls in a very short fashion.
