I'm looking for someone to watch my children for 3 days a week for 6 weeks. Great for college students or stay-at-home moms looking to make a little extra cash this summer. My kids are 2 and 4. Days may vary. I live in central Sugarhouse, so there are many things to do with them within walking distance of my house if you wanted to watch them here (I live right across from Sugarhouse park). I am open to an in-home daycare situation if it is in SLC. I will be doing a criminal background check. MUST be super, ultra reliable. I need you to be able to start this Monday, 6/22. \$45/day,.
