I am currently seeking a canine companion. Looking for something small, such as a yorkie or other type of terrier. Must be well-behaved. Must do well in an apartment living situation.

I would be willing to pay reasonable rehoming fees. Also willing to meet in person, to show the type of loving owner I would be. I have experience with all sorts of dogs, stemming back from childhood.

Most importantly, I would not be able to formally adopt until after July 18th -- that is the day I move into my residence. Don't want to adopt before then and cause unnecessary confusion and/ or stress for my newest animal addition :)

Looking forward to speaking! Please send pictures and detailed information if you have something fitting the criteria above.!
