

1 CALICO KITTENS VACCINES AND SUPPLIES INCLUDED (COLONIAL HEIGHTS)

Location

Virginia

<https://www.genclassifieds.com/x-511862-z>

1 female calico kitty looking for homes. we rescued the kitties from outside and have been handling them constantly. they were scared at first but with food treats and love them warmed right up. they love to play with toys. I think they may be shy when meeting new people. but I will give them their first series of vaccines I have dewormed them twice already and will worm them again before leaving. ill will include supplies. rehoming fee of \$60 applies. if u keep in contact I can get them spayed in a month but u have to keep in contact. I will explain the details of the spay agreement at the time of the visit. I went and bought supplies as well for them each kitten will have 1 litter box 1 water dish 1 food dish a few toys litter box liners treats and a sample of cat nip. must have a carrier or box to leave with kitty. kitty is not a lot to free roam in car on way home its safety first. text
