Two young professional women in their late 20s looking for third professional/awesome woman as roommate. We like going out from time to time, we work in Old Town Scottsdale, and we are physically active and single ladies. Looking for a third down-to-earth chick that has a good attitude, good at communicating, and drama-free - really. No 420, no smoking, no animals - perhaps exceptions on animals, but we already have one small dog living with us. Great unit available with in-unit laundry, TWO patios, amazing fitness and pool centers, and close distance to shopping and highway 101. Looking for an awesome chick that is loving, confident, will lay by the pool with us and lift weights, meal plan even - lol. The dog is amazing, you will love him. We will share everything, soooo looking for someone who is comfortable with making new besties, since that's what we currently are. Quirky, fun people are good with us. Sorry, no children and you must have a good, stable job. Move in is July 18, please send a pic and a lengthy description of yourself. We'll grab coffee and see if it's a good match! Please include your monthly take home pay information, or be able to provide to leasing center upon credit check. Our apartment will be near Thomas and Hayden at San Tropez. You'll be sharing a bathroom with one of us, the apartment will be furnished except for your room, and you'll have your own closet and patio access.
