We are looking to interview servicewomen about their experiences with reproductive health care while serving in the US military. Your participation in the study would involve one telephone interview that will last 45 to 60 minutes and can be conducted at a time that is most convenient for you.

You are eligible to participate if you:

• are age 18 and over

• are currently seeking an abortion, or had an abortion in the past 12 months

• were an active-duty member of the US military at the time of your abortion

To thank you for your time, you will be reimbursed with a \$50 gift card.

This research is being conducted by Ibis Reproductive Health. Ibis Reproductive Health aims to improve women's reproductive choices and health worldwide ([www.ibisreproductivehealth.org](http://www.ibisreproductivehealth.org)) by conducting clinical and social science research.
