

I am an energetic, honest, loving, reliable and dedicated bilingual Spanish and English Speaking Nanny /Mother Helper with over 10 great years of caregiver experience working with multiples, newborns/infants, toddlers and school age children. I am a professional nanny that will provide affection and structure during the times you are unable to be with your little ones.

I work in collaboration with parents to ensure their child(ren) are safeguarded with the best care and safety while helping the child(ren) to develop socially, emotionally and educationally.
