I am a professional nanny that will provide affection and structure during the times you are unable to be with your little ones.

I have worked for a private family for 8 years caring for their 2 children. and for a private family in Atlanta caring for 3 children for 1 Year. I am seeking a loving Family to be a part of.

I work in collaboration with parents to ensure their child(ren) are safeguarded with the best care and safety while helping the child(ren) to develop socially, emotionally and educationally.

I have all the qualities and experience that a excellent nanny should have.  
 Many years of experience caring for children of all ages.
