I am a Seattle-area website designer and I offer business websites, web application development and also turn-key landing pages. These eye-catching landing pages drive leads to your inbox so you can follow up and make the sale. They can be installed on any domain. They can feature a slideshow, video spot or voiceover. Completion time in as quick as 24 hours. Call me at to order yours today.

In Kent, will travel.

Custom work is our Specialty... Since 1983 we been putting smiles on our customers...

We've earned the trust and respect of our clients through excellent work and integrity in everything we do. "A Company Grading with Angie's List "

These are our some of our services listed below:

Professional Tree Services Leaf/Debris cleanup..Flowerbed revitalization..Flowerbed cleanup..Laying Mulch in flower beds..Planting of flowers or shrubs..French Drains..Stone and Brick Work..

On our fence install we use premium cedar wood and top of the line materials for years of durability and beauty a thicker, stronger picket. All of our pickets are thicker than what you'll find at the big box stores and what most fence companies are now installing. All of our pickets are graded to strict industry standards consistent with the

Western Lumber Association grading definitions. We do side by side and board on board, $\frac{3}{4}$ inch thick , all length and height available . . .

-No sag metal to metal custom made gate frames

-Stain and Sealer Fence Painting (Great pricing Including: Labor and Material)

-Handicap Ramps \$2495.00 25 LF

Angie's list members get a free metal to metal frame and install a \$269.00 savings with the purchase of a min of 100 lf of red cedar fence install ..

We have awesome references upon request or check our great reviews on Angie's List . We guarantee all of our work, and your satisfaction.

All of the work will be performed by our company, NO subcontractors. Your business is greatly appreciated. Have a great day..
