

Drought Tolerant Landscapes (danville san ramon)

Location **California**
<https://www.genclassifieds.com/x-512055-z>

California is in a severe drought and your grass lawn is wasting water! We can get rid of your water wasting grass lawn and replace it with a low maintenance, low water usage landscape. Filled with rocks, gravel, dry river bed stream, low maintenance plants and shrubs that requires way less water to survive. You will not need to mow the lawn or fertilize it constantly.

Email me today to get started!! Stop wasting water on plain and boring!
